

March School Community Council Notes

Wednesday, March 8, 2017

- Kim Meyer was excused from the meeting.
- Welcome-Holly Frasche'
- Karalee Beckstead read the notes from the last meeting.
- Members discussed how schools are supposed to have similar language in their school improvement plans. Additionally, each school is required to have a reading, math, and art goal.
- Mrs. Thomas talked about having more meetings with teachers about the school improvement plan, and also about what is discussed in school community council.
- Members discussed School Improvement Plan Goal #6 and it was approved after some minor changes.
- Members also discussed the Trustlands Budget for our school. With an emphasis on memorizing math facts in our school, some of the funds may be used on apps.
- In the next meeting on April 12, at 11:30, members will discuss the Safe School Walking Routes.
