

Notes from January School Community Council Meeting

Wednesday, January 4, 2017

- School community council members were welcomed and led in the pledge by Holly Frasche', school community council chair.
- Notes from the last meeting were reviewed by the council.
- There was a discussion about Title 1 and how that affects Larsen Elementary.
- The new school configuration was discussed for the school bond that will take place in 2018.
- Mrs. Thomas talked about what the school leadership team discussed in relation to math facts fluency, number sense, and CMI training from the last meeting. Teachers will give more attention and focus to math facts fluency and number sense. There may be a technician hired to practice math facts with struggling students.
- School community council members read about the Filtering Practices from Nebo School District.
- Goal #2 of the school improvement plan unanimously passed.
- Goal #3 was also discussed. Some sentences were updated and rewritten. Goal #3 was also passed.
- Mrs. Eckhardt is currently working with 4-H to update emergency kits for the school. Mrs. Thomas will follow up on this.
- Mrs. Thomas will also revisit what has been in the emergency kits in the past and see if any changes need to be made.
- Our next meeting will be on January 31, instead of February 1 due to a scheduling conflict.
- We missed Brandee Lloyd at the meeting, but all other council members were present.

Next Meeting: Tuesday, January 31, 2017
