

Notes from School Community Council

January 3, 2018

Brandee Lloyd and Farris Child were excused from the meeting. All other council members were present.

School Community Council members were welcomed by Holly Frasche'.

SCC members reviewed the notes from last month's meeting.

Members discussed ways to give better support to our students in math. Last year our emphasis as a school was on math facts.

Mrs. Thomas informed the council about computer filtering services. The web filter Nebo School District uses is called Content Keeper. We also have yearly Netsmartz assemblies for students to educate them about safety when using the Internet.

Members discussed School Improvement Plan Goal #3, which has to do with the fine arts.

Members will vote on SIP Goal #2 and #3 at the next meeting.

The next meeting will be TBA.
