

## **School Community Council Notes**

### **December 14, 2016**

- The school community council members were welcomed by Holly Franche'.
- The council reviewed the information from the last meeting.
- There was a discussion about how our school will not receive Title One funding for next year.
- Members reviewed the School Improvement Plan, specifically Goal #2.
- Many needs for the school were discussed, including the need for students to be more fluent in their math facts.
- Mrs. Thomas will meet with the Larsen Leadership Team to get input from teachers and other staff members about students learning their math facts.
- School community members who would like to see the new phonics program in action are encouraged to let Mrs. Thomas know so she can set up a time for them with a teacher.
- The next meeting will be January 4, 2017
