

# April School Community Council Agenda

Monday, April 10, 2023

- Lisa Baxter and Tiffany Weidlein were excused from the meeting.
- Members were welcomed by Bethany Clark.
- Title 1: We will continue to serve our students with Title 1 next year. We need to really encourage our parents to fill out an application for Free and Reduced lunch in July for next year. That is how we will get our Title 1 funding for the following school year.
- Finalize School Improvement Plan/Next Year: Most of the money from Trustlands will go for technicians in our school.
- Safe Walking Route: There will be changes at the beginning of the school year next year.
- This was the last school community council meeting of the 2022-2023 school year.
