

Notes from Larsen School Community Council

Tuesday, January 16, 2024

Larsen Elementary Conference Room 9:30 a.m.

- Welcome and Pledge by Tiffany Weidlein, chair
- Notes from the last meeting:
We talked about how the process of school boundary realignment is up and going. There is an open house for parents this Thursday, January 19, from 3:30-5:00 at Rees Elementary.
- Title I
Students have been organized into new Title I groups. There were a few students that were ready to be released from Title I, especially in first grade. Because we have a smaller load of students in Grades 1-3, we are going to be able to have a couple of technicians teach Sounds Sensible to some of our kindergarten students. Mid-year preschool testing is almost complete. Preschool teachers will be doing a data dive next week.
- Update on Trustlands Goals
- Filtering Services
The school community council reviewed the Safe Technology Utilization and Digital Citizenship in Public Schools HB213 Q&A for School Community Councils. The council also discussed a letter from Governor Cox about cell phone use. Principals will hear more information about this in their principals' meeting this week.
