

Notes from School Community Council

Tuesday, November 1, 2022 at 9:30 a.m.

- Lisa Baxter and Liz Navarro were excused from the meeting.
- Members of the council were welcomed and led in the pledge by Katie Howard, co-chair.
- Notes from the last meeting were read by Karalee Beckstead.
- Our school counselor, Roxanne Shumway spoke to the council about our school's positive behavior plan. The plan addresses the causes of student use of tobacco, alcohol, electronic cigarette products, and other controlled substances by promoting positive behaviors. This comes from House Bill 58. The plan addresses issues including peer pressure, mental health, and creating positive relationships. It may include programs, clubs, service opportunities, and pro social activities. There are some funds available to activities already in place at our school. At this time, we have not selected a specific curriculum for our school, but our counselor will continue to talk to grade levels on topics appropriate for their age. The council talked about giving the students more opportunities for service. We also talked about gratitude journals and "grateful paws" to put on the wall by kindergarten.
- Mrs. Clark shared data from our Acadience data from last year. Our students made 88% typical progress in reading last year.
- We decided to move TSSA Goal #1 to next month.
