

# January School Community Council Notes

January 4, 2021

- Cami Thomas was excused from the meeting, but all other members were present.
- The members were welcomed and led in the pledge by Farris Child, Chair.
- Notes from the last meeting were read by Karalee Beckstead.
- Title 1 will be taking a look at data and working with teachers to decide who will stay in Title 1, and who may be able to move out.
- There was a discussion about TSSA Goal #3 which says, “By the end of the 2020-2021 school year, the number of integrated fine arts lessons, K-6 will maintain at, or increase.” The goal will be changed to say K-5 instead of K-6 for next year because sixth graders will be in the middle school next year.
- Karalee Beckstead led a discussion about digital citizenship and district web filtering. These are the main points:
  - Nebo school district uses “ContentKeeper” as our filtering service.
  - There are different levels of filtering: default, student, and employee.
  - We use NetSmartz and their presenters to teach students internet safety and digital citizenship.
  - ContentKeeper creates logs and reports that identify inappropriate use.
